

BURN

HIGH

We, we don't have to wor-ry about noth-ing,
'cause we got the fire, and we're un-der the spell that it's start-in'

ALL

They, they gon-na see us from out-er space, out-er space
light it up, like we're the stars of the hu-man race, hu-man race.

*When the lights turned down, they don't know what they heard,
strike the match, play it loud, giv-ing love to the world,
We'll be rais-ing our hands, shin-ing up to the sky,
'cause we got the fire, fire, fire. Yeah, we got the fire, fire, fire.*

*And we gon-na let it burn, burn, burn, burn,
were gon-na let it burn, burn, burn, burn.
gon-na let it burn, burn, burn, burn,
we're gon-na let it burn, burn, burn, burn.*

LOW

We don't wa-nna leave, no,
we just wan-na be right now right, right, right, right now.

And what we see,
is ev-'ry-bod-y's on the floor,
act-in' cra-zy, get-tin' lo-co to the lights out.

Mu-sic's on, I'm wak-ing up, we stop the vibe, and we bump it up.
And it's o-ver now, we got the love,
there's no se-cret now, no se-cret now...

*When the lights turned down, they don't know what they heard,
strike the match, play it loud, giv-ing love to the world,
We'll be rais-ing our hands, shin-ing up to the sky,
'cause we got the fire, fire, fire. Yeah, we got the fire, fire, fire.*

*And we gon-na let it burn, burn, burn, burn, burn, burn.
Burn, burn, burn, burn, burn, burn.*

4X We can light it up, up, up.
So they can't put it out, out, out.

*When the lights turned down, they don't know what they heard,
strike the match, play it loud, giv-ing love to the world,
We'll be rais-ing our hands, shin-ing up to the sky,
'cause we got the fire, fire, fire. Yeah, we got the fire, fire, fire.*

ALL

*And we gon-na let it burn, burn, burn, burn.
We're gon-na let it burn, burn, burn, burn.
Gon-na let it burn, burn, burn, burn.
We're gon-na let it burn, burn, burn, burn.*

*Gon-na let it burn, burn, burn, burn.
We're gon-na let it burn, burn, burn, burn.
Gon-na let it burn, burn, burn!*
