

**GIRLS & YOUTH****"POMPEII"****BOYS**

I was left to my own devices  
 Many days fell away with nothing to show

*Eheu eh-o eheu eh-o [x8]*

And the walls kept tumbling down  
 In the city that we love  
 Great clouds roll over the hills  
 Bringing darkness from above

**REFRAIN**

But if you close your eyes,  
 Does it almost feel like  
 Nothing changed at all?  
 And if you close your eyes,  
 Does it almost feel like  
 You've been here before?  
 How am I gonna be an optimist about this?  
 How am I gonna be an optimist about this?

*Eheu eh-o eheu eh-o [x4]*

*Eheu eh-o eheu eh-o [x4]*

*Oh, oh, oh*

*Oh, oh, oh*

We were caught up and lost in all of our vices  
 In your pose as the dust settled around us

And the walls kept tumbling down  
 In the city that we love  
 Great clouds roll over the hills  
 Bringing darkness from above

*Great clouds roll over the hills  
 Bringing darkness from above*

**REFRAIN**

But if you close your eyes,

*Eheu eh-o eheu eh-o [x4]*

*Eheu eh-o eheu eh-o [x4]*

*Eheu eh-o eheu eh-o [x4]*

Oh where do we begin?  
 The rubble or our sins?  
 Oh oh where do we begin?  
 The rubble or our sins?

*Oh oh where do we begin?  
 The rubble or our sins?*

And the walls kept tumbling down  
 In the city that we love  
 Great clouds roll over the hills (oh where do we begin?)  
 Bringing darkness from above (the rubble or our sins?)

*Oh where do we begin?  
 The rubble or our sins?  
 Oh oh where do we begin?  
 The rubble or our sins?*

**REFRAIN**

But if you close your eyes,

*Eheu eh-o eheu eh-o [x4]*

If you close your eyes,  
 does it almost feel like nothing changed at all?

*Eheu eh-o eheu eh-o [x4]*

*Eheu eh-o eheu eh-o [x8]*
